

PERFORMA RD-2

Premium Performance Fully Synthetic Racing Oil

Product Description

- **PERFORMA RD-2** : Premium performance, fully synthetic multigrade SAE 10W-50 and SAE 10W-60 engine oil designed for modified racing engines. Exclusively formulated with premium quality base stocks and the latest advance technology based additives, specially developed for providing ultimate engine protection and superior performance even under the most extreme driving conditions of racing car

Features/Benefits

- Provides stronger oil film, maximum protection in constantly severe racing application
- Fortifies with special additives booster to enhance adhering along the metal surface, reduce wear and friction between engine parts, and delivers quick response in acceleration and drivability
- Offers superior lubricity that guarantees engine performance for all racing conditions
- Presents outstanding thermal stability, leading to oil sludge and oil screen clogging prevention
- Tested and proved with racing car in several types of racetrack

Applications

- Recommended for special and typical modified racing engines in all motorsport activities in both of Circuit and Time Trial Competition such as Super Car Racing, Drag Racing, Drift Competition, Rally, and Endurance

Reference Standards

- API SH

Key Properties

	SAE 10W-50	SAE 10W-60
- Viscosity @ 100 °C, cSt	21.2	23.9
- Viscosity @ 40 °C, cSt	147.2	168.0
- Viscosity Index	169	173
- Cold-cranking Simulator, @ -30 °C, cP	5,720	5,930
- Flash Point , (COC) , °C	234	242
