

PTT AUTOMAT ATF-1A

Product Description

PTT AUTOMAT ATF-1A is premium fully synthetic automatic transmission fluid especially developed to deliver anti-shudder durability for high performance of modern multi-vehicle automatic transmissions. It enhances outstanding wear protection, plus optimize proper frictional characteristic for enabling fast response and smooth gear shifting along with prolonging fluid life.

Benefits

- Provide excellent anti-shudder performance and vehicle driveability
- Provides strong protection oil film, superior shear, thermal and oxidation stability
- Offers suitable friction performance and lubricating characteristic for smoothly and precisely gear change
- Provides good seal compatibility
- Reduces engine wear and extends transmission life

Applications

- Designed for high performance of modern multi-vehicle automatic transmissions (<5 speeds) with lock up clutch torque convertor.
- Recommended for all models of automatic transmission required JASO 1A, DEXRON III, MERCON or below.
- Can be used for power steering fluid.

The Moving Innovation 

PTT AUTOMAT ATF-1A

Typical Characteristics

Tests	Methods	Units	Results
Kinematic Viscosity at 40 °C	ASTM D 445	cSt	29.4
Kinematic Viscosity at 100 °C	ASTM D 445	cSt	6.4
Viscosity Index	ASTM D 2270		177
Density at 15 °C	ASTM D 4052	g/cm ³	0.848
Flash Point	ASTM D 92	°C	204
Pour Point	ASTM D 5950	°C	-45

Performance Standards

- JASO 1A
- DEXRON III
- Meet OEM requirements:

OEMs	Specifications
Toyota	T, T-II, T-III, T-IV
Honda	ATF Z-1
Nissan	Matic-D, J, K, 402
Mitsubishi	SP-II, SP-III
Mazda	ATF-M III, ATF-MV
Daihatsu	Ammix ATF D3-SP
Subaru	ATF, ATF-HP
Isuzu	BESCO ATF-II, ATF-III
Idemitsu	K17
Mercedes-Benz	236.1, 236.2, 236.3, 236.5, 236.6, 236.7, 236.9
BMW	7045E, LA2634, LT71141
Audi/VW	G 052 162, G 052 990, G055 025
Volvo	97340 4-6 speed
GM Dexron	IID, IIIF, IIIG, IIIH
Ford	FNR5, Mercon model 1982-2006
Hyundai / Kia	SP-II, SP-III, JWS 3314, 3317
Kia	Red-1
JWS	3309, 3314, 3317
Chrysler	ATFs, MOPAR AS68RC

Health and Safety

This product shows no significant health or safety hazard when used under the recommended applications and suitable handling.

Avoid the direct contact. Wash immediately after contact. Health and safety information is available on the Safety Data Sheet (SDS) which can be obtained from <http://pttlubricants.pttplc.com>
