

SEATECH 4000

Diesel Engine Oil for Fishery

Product Descriptions

- SEATECH 4000 : A monograde diesel engine oil, SAE 40, developed in accordance to API CE standard and meets the requirements of fishing vessels engines

Features/Benefits

- Formulated with additives which exceptionally prevents corrosion and rust from engine's exposition to sea water in some working conditions
- High efficiency in engine wear protection
- Provides more cleanliness by additional detergent and dispersant additives for better engine cleaning and soot-dispersing
- High thermal stability and oxidation resistance
- Better control for building up of piston deposit and soot

Applications

- Suitable for fishing vessels that use high speed diesel fuel under normal and severe conditions
- Well suitable to all diesel engines which are recommended for a usage of API CE or lower standard engine oil

Performance Standards

- API CE
- ACEA E2
- ALLISON C-4
- MB 228.0
- JAPANESE CD

Key Properties

	SAE 40
- Viscosity @ 100 °C, cSt	14.9
- Viscosity Index	102
- Flash Point (COC), °C	240
- Total Base Number, mgKOH/g	11
- Pour Point , °C	-18
