

# POWER-R OUTBOARD

## Premium 2T Outboard Oil

### Product Description

- **POWER-R OUTBOARD** : Premium performance, two-stroke outboard motorcycle engine oil which formulated from high quality petroleum base stocks and blended with special ashless additives to enhance lubricity and provide better performances, exceeds high performance level of NMMA Recertified TC-W3<sup>®</sup> standard

### Features/Benefits

- Increases power output, provides excellent lubricity and anti-wear performance
- Offers superior engine cleanliness and deposit control
- Increases heat transfer efficiency and prevents ring sticking
- Protects against rust and corrosion of engine parts
- Prolongs spark plug life, provides superior combustion characteristics and reduces smoke emissions

### Applications

- Recommended for all water-cooled 2-stroke outboard engine, which requires NMMA TC-W3<sup>®</sup> oils, such as MERCURY, EVINRUDE, JOHNSON, MARINER, SUZUKI and YAMAHA

Suggestions : The fuel/oil ratio should be followed the manufacturer's recommendation or generally fuel/oil ratio is used less than 50:1

### Reference Standards

- NMMA Recertified TC-W3<sup>®</sup>

### Key Properties

- |                             |        |
|-----------------------------|--------|
| - Viscosity @ 100 °C, cSt   | 8.4    |
| - Viscosity Index           | 149    |
| - Flash Point , (PMCC) , °C | 89     |
| - Color                     | Purple |
